If the village office receives a complaint and are not aware of the structure, the Covenant Advisor will investigate and write a violation letter to the owner.

## Mowing grass—it's that time of year

Remember to mow your lawn with the frequency of good property management. Please remember that adjacent property owners must maintain the grassy areas on both sides of the sidewalk (mowing, watering, seeding, etc.) on portions parallel to one's property. Howard County Code of Ordinances 18.402 Public Works—Sidewalks: a) It shall be the duty and obligation of the owner of property abutting a public right-of-way to maintain the abutting sidewalk, driveway apron and sod or grass within the public right-of-way in such condition as to be safe for public use.

To make this a bit clearer.... if your property touches any county sidewalk (front, side, rear), you must mow the strip of grass between the roadway and the sidewalk.

We are still receiving phone calls about string lights installed on homes.

Christmas decorations should be removed now. If you keep string lights up year round, **an application is required**. Applications can be found on our Village website at: [www.dorseyssearch.org/Covenants](http://www.dorseyssearch.org/Covenants)

## **Report to Dorsey's Search Village Board – February 2023**

### **Columbia Council Representative—Dick Boulton**

- Lakey Boyd, CA's President/CEO, resigned. This was her decision, and she was not pressured to do so. The Board had offered opportunities for discussion and resolution, but these were rejected.
- The CA Board held its regularly scheduled open board meeting on the evening of January 26 which began two hours after the announcement of Ms. Boyd's resignation. Approximately 40 residents attended the meeting in person, mostly to criticize the Board for Ms. Boyd's departure. This delayed the start of the business portion of the meeting by over one and one-half hour, making it impossible to conclude all the agenda in a timely manner.
- The board approved a recommendation to obtain mediation to help resolve any remaining conflicts between the board and senior staff.
- The board voted to issue an RFP to retain an executive search firm to conduct a global search for candidates to be the CEO/President position.
- Board seats for Long Reach and King's Contrivance are currently vacant. The King's Contrivance Village Board has selected Keith C. O'Neil to be their new Columbia Council representative, and Mr. O'Neil's appointment has been scheduled. We are now waiting for Long Reach to make an appointment.
- The proposed Board Ethics Code was scheduled to be discussed at this month's work session and voted on at the following meeting. It was reviewed by CA's General Counsel and his input was incorporated in the draft. An accompanying Ethics Enforcement Policy is in the works that will take into consideration recommendations by an outside consultant. The question of conflicts of interest regarding IAT and village boards will require further discussion.
- A policy relating to CA's votes in certain village elections was adopted. CA will submit blank ballots to villages in order to meet quorum requirements but will not support or oppose any particular candidate.
- There was further discussion of the FY24 budget, and the Board directed staff to add allocations for the Inner Arbor Trust and the Community Foundation of Howard County and to provide recommendations on how to compensate for those spending increases.
- The Board discussed the proposed HoCo by Design County General Plan with the goal of protecting Columbia in any upcoming rezoning activity. This discussion is ongoing and will result in a CA policy recommendation to the County.
- The board discussed CA's overall Watershed Plan and the Lake Elkhorn Stream Restoration Project. We asked CA's Watershed Advisory Committee to provide input on the Watershed Plan and will be inviting relevant county stakeholders to a future CA meeting to discuss storm-water management. We also discussed CA's role in providing oversight of the planning and execution of the Lake Elkhorn Stream Restoration project.

## Dorsey Hall Dorsey Garden Club

*Submitted by Sandy Thompson, Dorsey Hall Garden Club*

This is a shout-out to our Green Bin Users and future users. Dorsey Search is one of the neighborhoods to have access to one Green Bin per residence. There are three sizes of bins and all are available to Howard County residents that pay a yearly trash and recycling fee (\$325 per year) on their property tax bill.

There is also a free 'smaller' bin to put on your counter top for saving vegetable scraps/coffee grounds, etc. But I found another approach that is easier and cleaner: I just use a *chip clip* to hang a 'compostable' bag on the inside of my kitchen recycle can. The company, *Greener Walker* sells biodegradable bags.

Did you know that...

1. All waste picked up in Green Bins is recycled back to our environment for composting. This contributes to 30% less trash sent to the landfill.
2. Pizza boxes, paper towels, egg cartons and sticks/leaves/yard trim are also picked up in the Green Bin.
3. The Green Bin is collected weekly, year round.
4. Your sink disposal will last much longer due to less use (\$ saved). Again, simple to use with no mess.

So let's give our environment a break! "Feed the Green Bin!" Compost bins can be picked up year round at the Bureau of Environmental Services, 9801 Broken Land Parkway and at Alpha Ridge Landfill, 2350 Marriottsville Rd. There are compost demonstrations periodically at Alpha Ridge Landfill. There, you can also purchase HoCoGo compost and mulch.

Recycle in the Blue,

Compost in the Green

Minimize your Trash!"

### Ranunculus Bulbs—if you haven't planted them, now would be the perfect time.

Recently Ranunculus bulbs were given out in the fall at our plant give a way. Here is some information on this flowering bulb. The Ranunculus are a very versatile bulb that can be planted in the fall for spring flowering or in the spring for summer flowering. Although in colder climate the Ranunculus bulb should be dug up and stored

over winter, in more mild climates they can be left in the ground and will come back for years. There are both annual and perennial varieties. Depending on the variety and size of the tuber, each plant can produce between 5 and 10 flower stems. These plants are grown mainly for cut flowers. They vary in color and petal type. Their rose-like blossoms have multi-layer tissue thin petals in a variety of colors. They can be planted in containers or in the garden. Plant in a sunny spot in rich loam soil and keep the soil moist but not too wet. They should sprout in 10 to 15 days and flower in approximately 90 days. So now is a good time to think about early spring planting for a summer display of beautiful Ranunculus flowers to brighten your summer table. If you need another copy of the planting sheet that was given to you, please email Anne McKissick.

**Please send pictures of your flowers!** The bulbs should be blooming and the native plants will flower late spring/early summer. We would love to compile a collage as our gardens begin to show off their brilliant colors. The Village is not planning a plant giveaway this year, but is looking at 2024. Please email Anne McKissick at [amckissick@dorseyssearch.org](mailto:amckissick@dorseyssearch.org) with your wonderful garden pictures this spring and summer.

## Village Elections

Saturday, April 22, 2023 from 8am—1pm. If it is contested.

Special events are sponsored by the Dorsey's Search Community Association and some events may be co-sponsored with the Villages of Columbia and/or Dorsey's Search Village Merchants and Columbia Association. For those events requiring a ticket, tickets can be picked up at Linden Hall during regular business hours. For most events, there are a limited number of tickets available, so tickets are distributed on a first-come, first served basis. **No telephone reservations can be taken unless otherwise noted.** Tickets must be picked up in advance-there are no tickets available at the door, since caterers need an exact headcount before hand. If you picked up free tickets and cannot attend an event, please return to the village office as soon as possible so you can be taken off the headcount and allow a wait-listed family to attend. Staff may require ID in order to verify residency; please do not send children to pick up tickets, since they are not included on the resident list. Children must be accompanied by an adult to all events. Tickets are still available when issue is being printed, but may be sold out before you receive your issue. Thank you.
